Thank you for joining this interesting and informative tour that looks at the West End's beautiful mural gallery.

As you follow the route, your tour guide will share fascinating and fun facts related to the murals. You'll also have the opportunity to learn about the history and character of the community.

The West End of Winnipeg is a vibrant multicultural neighbourhood. Home to over 1,000 businesses and a significant residential population, the area's diverse shops and restaurants feature products and foods from around the world. The West End allows you to taste the world at over 90 restaurants, shop the world at unique retail shops and experience the world by learning about the rich history found in our outdoor mural gallery.
