

Business Resources and Support for COVID-19

We understand that access to information and support in these uncertain times is critical for businesses. Information is available from the Province of Manitoba and the Government of Canada to help navigate as information changes. Below are links to the most recent resources for you and your business.

Government of Canada

Canadian Government Economic Support for Businesses

The Canadian Government has recently released an economic response plan to the COVID-19. Please visit the link below to view the different options that may be available to help support you and your business. We will be updating this page with any new information and resource that becomes available to help support our members during this time.

Canada's COVID-19 Economic Response Plan: Support for Canadians and Businesses
