## THE FINE PRINT

\*Not all applications will be approved. Missing information, missing quotes, or incorrect information will determine the outcome of your application. If all information is complete, approval will be based on how well your proposed project fits the program goals and available funds at the time of application.

Applications will be approved on a first come, first served basis. Applicants will be notified of the outcome of their application via email or mail within two weeks of applying. If all available grants have been allocated to other members, applicants will be notified that their application will be considered in the next fiscal year.

Multiple improvements can be submitted on one application.

\*\*Proof of Payment is a bill clearly marked as paid AND a copy of a cheque, bank or credit card statement showing the job has been paid (originals will not be accepted). Proof of payment must be submitted no later than 1 year from the date of application. Projects must be completed and all bills paid to be reimbursed. Once proof of payment is submitted, a West End BIZ staff member will perform a site visit to ensure all improvements have been successfully completed. Under extenuating circumstances, applicants must apply in writing before the grant expires requesting an extension. Extensions will be awarded at the discretion of the BIZ.

## TERMS AND CONDITIONS

1. Only West End BIZ (henceforth known as 'WEB') members are eligible for grants. Members must be in good standing with the city of Winnipeg. Applications will be reviewed on a first come, first served basis. Successful applicants will receive written confirmation from WEB within 2 weeks after submitting their completed application.
2. The applicant must demonstrate that their project will enhance the streetscape. Whether or not the project qualifies is up to the discretion of WEB. If submitting for awnings or signage, the BIZ reserves the right to request proofs or sketches of the proposed. Only signage advertising the business will qualify. Signage that advertises products sold or provided may not qualify. Multiple improvements may be submitted per application.
3. The applicant assumes all responsibility for obtaining permission from the landlord, property owner and/or city to undertake the proposed projects. WEB assumes no responsibility for projects undertaken without permission or necessary permits.
4. The applicant assumes all responsibility for ensuring that proof of payment is submitted within one year from the date of application. WEB will not be held responsible if proof of payment is not provided within the given time frame. In case of such an event, the grant will be canceled by WEB.
5. The applicant must obtain and submit copies of three quotes for each application. One quote must be from a WEB member, however an exception will be made if there is no West End business who provides the service or product required. Lists of WEB businesses are available upon request. If choosing a West End business is not possible, the applicant must provide a brief explanation in the space provided. In the absence of a quote from a WEB member, where no explanation is given, the application may be delayed or denied. New qualifying projects must be approved for grants before construction is started.
6. The amount listed in the approval letter is the maximum amount eligible for reimbursement up to a maximum of \$1000 for each grant/rebate type every 2 years. In the event a project costs less than quoted originally, the grant will be reduced to 50% of the actual cost, minus taxes. In the event that a project costs more, the original approved amount will be granted. If all WEB grant funding has been allocated, WEB may file the application to be processed in the next fiscal year. Monthly bills for internet or electricity, taxes, zoning, permits, administration, legal and financing services are not eligible for reimbursement.
7. In the case where a business has multiple locations and is advertising or completing a project for the business in general, the eligible project cost will be prorated dependent on the number of locations operating in the West End.

8. In cases where the eligible cost of the project is over \$2,000, additional funding will be provided at a lower rate, up to a maximum of \$3,000. Contact the BIZ for more details.
9. The project must be completed and all bills paid to be reimbursed by WEB. The applicant must be operating within the WEB area to qualify for reimbursement. If the applicant moves out of the area before reimbursement, the grant will be considered canceled.
10. All work must be done by a licensed and/or bonded contractor or other trades-person. No labour performed by a non-licensed or bonded contractor will be eligible for reimbursement. In some cases it may be approved for you to do the work yourself, but in such projects, only the materials will qualify for reimbursement.
11. Before reimbursement, a WEB staff member will perform a site visit to confirm the project has been satisfactorily completed.
12. Terms and conditions of WEB grants are subject to change without notice. All decisions made by the West End BIZ are final, disputes will be brought to the management board.
