West End BIZ to Host Community Mural Paint at Nuit Blanche

Winnipeg, MB - The West End BIZ is excited to announce its upcoming Nuit Blanche event in Central Park. This interactive evening will invite Winnipeggers of all ages to take part in a collaborative paint-by-numbers mural designed by local artist Bria Fernandes.

Central Park has long been one of Winnipeg's most vibrant multicultural gathering spaces. It is a place where families, friends, and newcomers from all over the world come together to share experiences and community. Hosting a Nuit Blanche project in this setting reflects the West End BIZ's commitment to promoting and enhancing the West End.

"Central Park is a true meeting place, welcoming people from all parts of Winnipeg and beyond," said Joe Kornelsen, Executive Director of the West End BIZ. "When we enhance and invest in spaces like this, we strengthen the entire West End. It reflects our vision of a neighbourhood that is safe, vibrant, and welcoming for everyone."

Participants are invited to pick up a brush and help bring Fernandes' artwork to life, creating a collective piece that will stand as a reminder of what can be achieved when people come together. The evening will feature a live musical performance, adding energy and atmosphere to the experience.

The West End BIZ invites residents and visitors alike to join this one-of-a-kind Nuit Blanche event, where art, culture and community converge in the heart of the city.
